NOTICE OF DISMISSAL PURSUANT TO RULE 41(a)(1)(A)(ii)

Counsel for the United States informs the Court that it is voluntarily dismissing this action without prejudice. No defendant has filed an answer in this case, and therefore dismissal is proper without the need for a court order pursuant to Fed. R. Civ. P. 41(a)(1)(A)(i).

The parties have resolved the claims in this action pursuant to a settlement agreement that requires payment from the defendants over the course of five years. If the defendants default on their payment obligations, the United States retains the option to either reinstate the claims raised in this suit or to enforce the settlement agreement itself. Accordingly, this dismissal is being filed without prejudice as to re-filing and is subject to the terms of the settlement agreement.

Dated: June 8, 2021

Respectfully submitted,
